Translation of Russian text of letter to AEOOB/6

Dear Friend !

I have not received a letter from you for a long time, but I must admit that it has been long since I have written. I have been very busy, attending courses in the evening and studying very hard, so there was very little spare time. However, I have thought of you often and would like to know how you are and whether things are the same as usual with you.

Some time ago I met Tania and we talked about past years and old friends in Riga. She sends you her best greetings.

I hope you are well and still teaching music at the same place. Do you remember how we used to go to concerts together ? I am just as fond of music as I used to be and try to go to concerts and to the opera as often as possible.

Please write to me and tell me about yourself.

Yours,

Vera.
